Thank you for having your choir sing during worship at STL. Please have your musical selections to the church office two weeks prior to your scheduled singing date.

On February 28, 2010 it would be great if there is representation at both services as this is the kick off of Lutheran Schools Week.

On June 6, 2010, all school choirs will participate in the annual end of the year final presentation. Each choir will present one musical selection for this service. The musical selection for this Sunday may be a song that your choir previously sang during the 2009/2010 church year. Please have the musical selection your choir will sing on June 6 to the Church office by May 20, 2010. Thanks for sharing His love in Song.

We would like the Kings' Kids and Jesus' Co. choir to sit with their parents in church and come up to sing during the designated anthem time.
